

National Coin Week activity report of William C. Birr #41793

Displays

First National Bank at Eustis, Florida. This exhibit was attended from 9:00 A.M. to 4:00 P.M. every day during National Coin Week. Exhibit contained a history of U.S. coins from 1795 to date, U.S. paper money, commemorative coins, plus interesting and odd coinage from other countries. This exhibit took a full 6 ft. table.

First Federal Savings & Loan at Mt. Dora, Florida. This exhibit contained a picture of each President of the U.S., his term of office and a cent dated during each president's term of office.

MAY 29 1974

National Coin Week to be observed here

Bill Birr, president of the Orlando Coin Club and director of the Lake County Coin Club and associate of the World Numismatic organization, is shown with (l-r) Yvette Kennedy, Wanda Miller and Karen Hamilton at the First National Bank and Trust Co. of Eustis, making plans for a display to celebrate the National Coin Week Golden Anniversary, April 21-27.

National Coin Week was first observed in 1924 by the American Numismatic Association. It has been an annual event since then, and now is celebrated by thousands of ardent numismatists and numismatic organizations. It is one of the outstanding programs of the American Numismatic Association and its 39,000 members with a constantly increasing membership.

The purpose and reasons for this special week are to advance the cultural and artistic aspects of coin collecting, to advance the enjoyment of the hobby through proper education, to advance the interest in coin collecting as a science, and to attract new collectors who will enjoy the hobby and educate them to the study of history, economics and art through coin collecting.

The First National Bank and Trust Company of Eustis is presenting a free display for the public, April 21-27, for National Coin Week, and commends the American Numismatic Association for its outstanding work and National Coin Week upon reaching its golden anniversary this year.
